

Flush mount VOL Patch Panel 1U, 19" Brushed Aluminum

Part Number:
UU001622701

The VOL patch panel is universally applicable for all 19" racks. This allows the free user-specific configuration of building and floor distributors. This patch panel is delivered unloaded. But it's compatible with all VOL modules from Cat 5e to Cat 6A UTP or STP. A full protection against conducted and radiated interference is provided by the individual shield of STP 360° braid on the STP module version. This feature additionally prevents interference between modules on the same panel. The panel has a ground points lashes at the rear of the panel. Modules automatically provides earth connection upon insertion into patch panel.
