

L11 Pro Max

Larger battery and suction power, clean like a pro

- 6400mAh Large Battery
- 4000Pa Suction Power
- LiDAR Accurate Mapping
- Obstacle Avoidance
- Auto Trash Emptying
- Smart Route Planning
- Carpet Recognition
- Fully App-controlled

30-days Hands-free Cleaning

With auto bin disposal base, the cleaning robot automatically sucks and stores the debris into a self-emptying auto dust disposal bag and holds around 30-day worth of debris. Display screen allows you to check the fill level of the dust bin anytime.

Row-by-row Cleaning

With LiDAR navigation, instead of randomly bouncing, Imou self-empty robotic vacuum cleaner quickly maps your home and cleans row by row to 100% cover your house.

6400mAh Large Battery

L11 Pro Max has an upgraded battery capacity, it now comes with a large 6400mAh battery that allows it to keep cleaning for up to 150 minutes, which makes it easier to handle cleaning jobs in larger houses.

4000Pa Suction Power

L11 Pro Max has a powerful suction power of 4000Pa, and it can quickly suck the dirt into the dust collection box with the V-shaped roller brush.

Fully App-controlled

IMOU Robot APP will update the map at real-time that the robot vacuums will clean your home according to the room or your instructions allowing you to intelligently manage your cleaning plan like adding virtual walls and no-go zones, setting schedules and zone cleaning.

Specifications

Cleaner

- Navigation : Laser
- Wall sensor : dToF sensor
- Wall sensor : Infrared
- Cleaning Router : Planning
- Suction Power : Up to 4000Pa
- Duration : Max 180min
- Battery : 6400mAh
- Charging Time : 5h
- Working Noise : 65dB
- Height of Obstacle Crossing : 2cm
- Dust Bin Capacity : 300ml
- Water Tank Capacity : 250mL
- Tank Type : Electric water tank

- Filter Level : H11
- Carpet Boost : Support
- Resume Cleaning : Support
- No-go Area Setting : Support
- Virtual Wall : Support
- Scheduled Cleaning : Support
- Auto Returning to Charge : Support
- Dimension : 350*350*98mm
- Working Environment : 0-40 °C, ≤ 90%

Dirt Disposal Charging Dock

- Suction Power : 26KPa
- Working Noise : < 80dB(A)
- Power Input : AC 220V 5A
- Power Output : DC 24V 1.5A
- Dimension : 356*250*193mm

What's in the box

- Cleaner With Charging Dock * 1
- Washable Mop Cloth * 2
- Dust Bag * 3(One is installed in the dock)
- Side Brush * 2(One is installed in the cleaner)
- Main Brush * 1(Installed in the cleaner)
- Filter * 1 (Installed in the cleaner)
- Cleaning Knife * 1(Installed in the dock)
