

12V 2A, AC/DC Power Adapter

Model: HM-A128

Input: 100-240V AC 50-60Hz

Output: 12V 2A

Power: 24W

Connector: 5.5*2.1/5.5*2.5

Material: ABS+ PC Fireproof Material

Protection: over-current, voltage and auto recovery

Output protection: over-load and short-circuit protection

AC inlet: plug-in type

Output voltage: 12V $\pm$ 5%

No-load loss: 0.1W

Working temperature: -10 $\sim$ 45 $^{\circ}$ C

Power adjustment rate (full load): $\leq$ 0.5%

Output voltage micro-adjustment range: $\pm$ 10%

Output Overload: 115% $\sim$ 150%

Insulation Strength: Class A

Operating humidity: 20 $\sim$ 90% RH, non-condensing

Storage temperature: -20 $\sim$ 85 $^{\circ}$ C
